NEW PARADIGM COLLEGE PREP

NEW PARADIGM FOR EDUCATION

Thoughts for the week

NPCP students displayed model behavior, remaining on task in class as well as exhibiting great behavior in the cafeteria. NPCP staff members are proud to call them our students. Below are few reminders.

- Our students have lunch in the annex and its important to remember, as the days grow cooler for students to bring the proper attire. i.e. sweaters.
- At NPCP we encourage and stress the importance of reading. Please begin looking for a book your child. They will be reading 20 minutes or more daily. The genre for September is free choice.
- If your child packs a lunch please make sure it is nut free. We cannot allow them to eat a lunch that includes nuts. i.e. peanut butter and jelly sandwiches.
